OUR CHURCH IS PEOPLE ...

THE CHURCH STAFF

Even as we celebrate 50 years as an official congregation of Presbyterians in Highland, and almost 100 years of being connected with a continuing congregation of God's people here (going back to the Union Church of 1899), we are aware that life is never in the past, but it is in the present and in the future. So, we pause in the present in grateful appreciation for the faithful who brought us this far, but we do not linger long, for the best way we can say 'thanks' to the past is to commit ourselves to delivering to the future all that we have received.

God is active in history. God has called us, and set us in this time and place. We accept our calling with a sense of thanksgiving and enthusiasm. We march into our second half century as a congregation of Presbyterian Christians carrying with us the Statement of Purpose our Session approved in recent years:

> "We are a part of the Church of Jesus Christ. We dramatize our purposes in proclaiming and teaching the Holy Word, maintaining Divine Worship and administering the sacraments, encouraging joyful fellowship, promoting service to the community and to the world, remembering and advancing our heritage, and living God's love in our lives."

Since 1937, beginning with those 86 charter members, over 2600 people have been received into membership; 1021 infants, young people, and adults have received the sacrament of baptism; the congregation's pastors have officiated at 633 marriages; the Session has installed more than 220 Elders; and children of our congregational family have scattered throughout the world. These statistics are interesting, but they only tell a small part of the story of First Presbyterian Church of Highland. The bigger part of the story is written on the hearts of the people who have given love and care to each other. Only God can count the wounded who have been healed, the weak who have found courage, the confused who have discovered direction, the lonely who have found friends, the guilty who have found forgiveness, and the troubled who have found help, over these fifty years of ministry.

We are glad to be part of this parade and we recommit ourselves to a ministry which is described in our Church motto: "The Cradle and The Cross ... Ministering Throughout Life."

Thankfully yours,

OUR HERITAGE

It all began before Highland was officially a town. 1899 - The Union Church; renamed in 1900 - The People's Church; renamed in 1908 - The Congregational Church; and a branch of that Church became the First Presbyterian Church of Highland on June 13, 1937. Highland was a little town in 1937 and the first building, completed mostly by volunteer help in 1937, stood in a sparsely populated area. After WWII when suburbia grew, Highland grew, and a little group of 86 became a congregation of over 1000 members by the early 1960's, and with that an education and office wing, and a new Sanctuary were built. This congregation still has five of the charter members on its rolls; still has names on the rolls which date back to the 1899 Union Church; and celebrates its heritage. At the same time it opens wide its doors to new citizens of the Ridge Community and welcomes them into the family. The congregation has been served by six ministers during its 50 years, four of them still living. The First Presbyterian Church of Highland has established itself as a living witness for Jesus Christ in the Calumet Area, and it is to continue that witness that we gladly celebrate all that has been; prayerfully recognize what is and that we did not create what we have received; and joyfully, by God's grace, take up the banner to move our little band of Presbyterian pilgrims into the future.
